

EXPERIENCED OPERATORS INVESTING IN THE MIDDLE MARKET

INVESTMENT CRITERIA

FUND SIZE

- \$802M Fund II (Flagship), II-X, and II F&F
- \$251M Mobility Opportunity Fund (Fund I and Fund II overage vehicle investing in EV, lightweighting, autonomous, and connected car technologies)
- Additional Co-Invest on every deal (\$1B+ to date)
- AUM: \$3.7B

TARGET MARKET

- **Geography:** Global exposure with North American or European HQ
- **Sectors:** B2B Industrials, Manufacturing, and Specialty Distribution
- **Special Thesis Areas:**
 - **Mobility**
 - **Infrastructure**
 - **Industry 4.0**
- **Exclusions:**
 - >25% exposure to Big Box Retail
 - Turnarounds

CHARACTERISTICS

- **Good business:**
 - End market growth
 - Historical growth at/above market
 - Market leading player
 - Strong FCF conversion
- **Operationally underperforming** peers/ benchmarks
- **Definable Value Creation Plan** prior to close

DEAL SIZE

- Equity Investment: \$20M to \$350M
- EBITDA: \$15M to \$100M
- Revenue: >\$75M
- Transaction Size: Up to \$500M

CURRENT INVESTMENTS

Electric Drive Systems Manufacturer
Milton Keynes, UK
Fund(s): Fund II / MOF
Acquired: July 2024

Precision-Focused Tools Manufacturer
Athol, MA
Revenue: ~\$256M
Fund(s): Fund III
Acquired: May 2024

Engineering Services
Valencia, Spain
Fund(s): Fund II / MOF
Acquired: Mar 2024

Metal Processing & Distribution
Carol Stream, IL
Revenue: \$1B
Fund(s): MiddleGround
Carbon CV
Acquired: Nov 2023

Automotive Transmission
Thatcham, UK
Revenue: ~£82M
Fund(s): Fund II / MOF
Acquired: July 2023

Thermoplastic, Thermoset Injection Molding
Hopkins, MN
Revenue: ~\$80M
Fund(s): Fund I / MOF
Acquired: Feb 2023

Advanced Manufacturing Buy & Build
Quebec City, QC
Revenue: ~\$13M
Fund(s): Fund II
Acquired: Jan 2023

Worker Safety & Access Solutions
Andrews, SC
Revenue: ~\$150M
Fund(s): Fund II
Acquired: Nov 2022

Bicycle Parts & Accessories Distribution
Quebec City, QC
Revenue: ~CAD \$170M
Fund(s): Fund II
Acquired Sep 2022

Flow Control Distributor
Baton Rouge, LA
Revenue: ~\$500M
Fund(s): Fund II
Acquired: July 2022

Powersports Aftermarket
Mentor, OH
Revenue: ~\$325M
Fund(s): Fund II
Acquired: Nov 2021

Precast Concrete Manufacturer
Canal Fulton, OH
Revenue: ~\$125M
Fund(s): Fund II
Acquired: Nov 2021

Mechanical Control Systems - Automotive
Ann Arbor, MI
Fund(s): Fund II / MOF
Acquired: Nov 2021

Automotive Exterior Trim
Oldcastle, ON
Revenue: ~\$750M
Fund(s): Fund I / MOF
Acquired: Oct 2021

Garage Door Components
Archbold, OH
Revenue: ~\$250M
Fund(s): Fund I
Acquired: Sept 2021

Steel Infrastructure Manufacturer
Kosciusko, MS
Revenue: ~\$140M
Fund(s): Fund I
Acquired: Dec 2020

Lightweight Auto Technologies & Auto Electrification
Valley City, OH
Revenue: ~\$1.2B
Fund(s): Fund I / MOF I
Acquired: Nov 2020

Steel Metal Fabricator
Hartford, WI
Revenue: ~\$150M
Fund(s): Fund I
Acquired: May 2019

Precision Metal Components
Elyria, OH
Revenue: ~\$220M
Fund(s): Fund I
Acquired: July 2018

REALIZED

Metal Processing & Distribution
Carol Stream, IL
Revenue: ~\$300M
Fund(s): Fund I
Acquired: Dec 2019
Realized: Nov 2023

Metal Springs Manufacturer
Southfield, MI
Revenue: ~\$110M
Fund(s): Fund I
Acquired: April 2019
Realized: Sept 2023

ADD-ON STRATEGY

Portfolio Company	Geography	Size	End Markets	Products/ Applications	Capabilities / Services	Completed Add-ons
Starrett	North America	>\$5M EBITDA/ positive FCF	Industrial, Manufacturing, Advanced Manufacturing	Precision and/or laser measurement hand tools, systems, and software	Designing and manufacturing tools, systems, and software	
Castle Metals BANNER INDUSTRIES	North America	>\$3M EBITDA/ positive FCF	Medical and Aerospace, Industrial	Bar (all types), Sheet, Coil Plate	Grinding, Slitting, Shearing, Plasma/Water Jet Cutting, Ultrasonic Testing, Heat Treating	
XTRAC	North America, Europe	>£10M revenue	Motorsport and High Performance Automotive	High-performance automotive applications	Designing and engineering automotive components and vehicles Consultancy and engineering support for motorsport / hypercar customers	
TPM <small>PRECISION IN PLASTIC</small>	North America	>\$5M EBITDA/ positive FCF	Industrial, Aerospace, Medical, Consumer	Components/full assemblies	Primary Focus: Thermoset, Insert, 2-Shot	
MEGATECH	North America, Europe	Advanced/ Traditional \$2M-\$5M EBITDA Additive Manufacturing Flexible	Industrial, Aerospace & Defense, Electronics, Optics/Photonics, Robotics, Medical, Semiconductor	Focus on high complexity, high precision prototyping and low volume production	Primary Focus: CNC Machining, Precision Sheet Metal Fabrication, Additive Manufacturing Secondary Focus: Injection Molding, Urethane Casting	
SIXAXIS <small>MANUFACTURING TECHNOLOGIES</small>	North America, Europe	>\$3M EBITDA	Distribution/Warehousing, General Industrial, Marine, Power Generation, Transportation/Logistics, Commercial/Modular Buildings, Aerospace	Fall Protection Equipment, Slip Protection Equipment, Safety Barrier Systems, Safety Signage, Safe Access Systems	Strategic brands with a preference for a portion of consumable products focus and aftermarket exposure, Businesses benefiting from regulation driven purchasing dynamic, Geographic and product portfolio expansion	
HLC	North America, Europe	>\$10M sales	Cycling	Cycling parts, Components, Accessories brands and distributors, Select bike OEM's	Strategic brands with omnichannel presence and aftermarket exposure, Distributors with North American footprint and owned brands	
PVI HOLDINGS	North America, Europe	>\$15M Revenue	Distribution, Marine, Process MRO, Chemical, Energy, General Industrial, Fire Protection	Flow control valves, fittings & couplings , pipes, actuators, hydraulic pumps, pressure/ temperature gauges, fire protection	Strategic brands/ distributors with products/ geographies offering synergies to PVI as well as MRO applications.	
Lindsay <small>PRECAST</small>	Texas, Florida, US - Southeast	>\$5M EBITDA	Solar, Transportation, Utilities, Water	Precast concrete structures for infrastructure and energy	Steel fabrication and other vertical integration a plus	
ATI <small>ATTALA STEEL INDUSTRIES</small>	North America; US- Southeast/Central	>\$5M EBITDA	Diversified Industrial, Solar, Infrastructure, Building Products, Food & Agriculture	Engineered / Fabricated Metal Products	Milling, cutting, heat treating, galvanizing with interest in W8 milling capabilities and ancillary services	
ARROW <small>MOVING FORWARD</small>	North America; West Coast, US - Southeast a plus	>\$3M EBITDA	Building Products- Residential and Industrial, Repair and remodel a plus	Springs, HVAC hardware, Exterior and interior metal hardware for residential and industrial buildings	Manufacturing, Kitting, Assembly Dealer/distributor or contractor channel preferred
